TRACTION TABLE BELTS

- Universal design fits most patient and traction tables
- Non-slip surface provides superior patient comfort
- Easily fit patient in 1 minute or less
- Quick release buckle for easy tension adjustment

Available From:

Traction Table Belt Sizing:
Fits 24" - 60" Waist

Optional Extension Kit extends the
Traction Table Belt to accommodate
up to 90 inch/228 cm waist

QUICK & EASY

Traction Table Belts feature nylon straps and quick release buckles for easy tension adjustment to significantly reduce fitting time. Design allows fitting of most patients in a minute or less with little or no readjustment during treatment. Contoured thoracic wrap fits comfortably under the rib cage of both female and male patients while providing optimal comfort. Durable nonslip fabric ensures belts stay in place without slipping, even over clothing. Works with most traction tables.

NONSLIP & CONTOURED

Contoured thoracic wrap fits comfortably under the rib cage of both female and male patients while providing optimal comfort. Durable nonslip fabric ensures belts stay in place without slipping, even over clothing. Works with most traction tables.
