

# ARS15PV-CRT

72" x 23.38" x 24.38" (H x W x D)

Performance series 15 cu.ft. upright controlled room temperature cabinet for pharmaceuticals and vaccines in a white finish with lock and antimicrobial silver-ion handle

**Highlights:**

Controlled room temperature cabinet to store medication, pharmaceuticals, and other sensitive materials at 72°F

Adjustable operating control range from 68 to 77°F (preset to 72°F)

Intelligent microprocessor digital temperature controller

**Product Features:**

|                                        |                                                                                                                                                                                                                                       |
|----------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Controlled Room Temperature Cabinet    | Purpose-built design to store medication, pharmaceuticals, and other sensitive materials at 72°F                                                                                                                                      |
| Purpose-built design                   | Designed and purpose-built to support manufacturer recommendations for storage of pharmacy, medication, and vaccines within 20° - 25°C (68° - 77°F) as defined by USP 1079> Good Storage and Distribution Practices for Drug Products |
| +/-1.5°C Variation                     | The published temperature variation is derived from the maximum deviation of an NTC sensor in a 1 oz. vial located nearest the chamber geometric center during a 24 hour test period                                                  |
| Stable operation                       | Designed to maintain a set temperature, even when ambient room temperature is as cold as 68°F or as high as 86°F                                                                                                                      |
| Antimicrobial silver ion-coated handle | Powder-coated handle with naturally occurring silver ions to help reduce the spread of germs                                                                                                                                          |
| Adjustable temperature                 | Intuitive controls let you adjust the interior temperature between +68 to +77°F                                                                                                                                                       |
| Temperature alarm                      | Visual and audible alarms alert if the interior temperature rises or falls out of set range                                                                                                                                           |
| Remote alarm contacts                  | Electronic controller is equipped with a volt-free contact for alarm forwarding to an external remote system (contacts located in the external rear of the unit)                                                                      |

Automatic defrost with adjustable cycle      Adjustable cycle defrost operation ensures the unit avoid temperature spikes and ice buildup

## ARS15PV-CRT Specifications:

| Overview                   |                             |
|----------------------------|-----------------------------|
| Height of Cabinet          | 72.0" (183 cm)              |
| Width                      | 23.38" (59 cm)              |
| Width with Door Open       | 23.88" (61 cm)              |
| Depth                      | 24.38" (62 cm)              |
| Depth with Handle          | 26.13" (66 cm)              |
| Depth with door at 90°     | 46.5" (118 cm)              |
| Capacity                   | 15.0 cu.ft. (425 L)         |
| Defrost Type               | Automatic                   |
| Door                       | White                       |
| Cabinet                    | White                       |
| US Electrical Safety       | ETL                         |
| Canadian Electrical Safety | ETL-C                       |
| Amps                       | 1.4                         |
| Voltage/Frequency          | 115 V AC/60 Hz              |
| Weight                     | 205.0 lbs. (93 kg)          |
| Parts & Labor Warranty     | 2 Years                     |
| Compressor Warranty        | 5 Years                     |
| UPC                        | 761101090498                |
| Refrigerator Features      |                             |
| Door Swing                 | RHD                         |
| Reversible                 | Yes                         |
| Shelf Type                 | Wire                        |
| Shelf Qty                  | 7                           |
| Adjustable Shelves         | Yes                         |
| Thermostat Type            | Digital                     |
| Fan Type                   | Interior                    |
| Refrigerant Type           | R600a                       |
| Refrigerant Amount         | 2.65oz.                     |
| Interior Light             | Yes                         |
| Temperature Range          | 68 to 77°F (preset to 72°F) |
| Dimensions                 |                             |
| Interior Height            | 63.25" (161 cm)             |
| Interior Width             | 20.0" (51 cm)               |
| Interior Depth             | 17.0" (43 cm)               |
