

FEATURES

The Clinton 8870 Family Practice Table is perfect for the private practice physician or clinic. Its versatile design, durable clinical performance and multi-use features make it one of the most popular and cost-effective choices on the market today.

The 8870 Family Practice Table features:

- Easy access height of just 31 inches which helps eliminate the need for a step stool.
- Adjustable, pneumatic backrest is standard
- Pull-out leg rest that extends the length of the patient area
- Storage access from either side so work flow is a full 360° around the table.
- Two-drawer storage at the foot end of the table
- Optional pull-out pan for even greater versatility and expanded performance
- Two-position stirrups pull out to allow the physician to perform pelvic examinations and then fold neatly out of sight when not in use.
- Available in nearly a dozen colors of laminate which may be specified all one color or in smart looking two-tone
- Over a dozen colors of upholstery, seven of which have coordinating laminate colors
- 3-year, limited warranty

IMPORTANT ORDERING INFORMATION

For single color tables

(base, doors and drawers all the same color), please order using base laminate color number only.

For two-tone tables, please order using a base color number AND a door/drawer color number. If only one color is chosen, the entire table (base, doors and drawers) will be the same color regardless of the number code.

Door and drawer pulls can coordinate with the 4 solid color base laminates. Natural, Dark Cherry and Maple base colors look best with silver or black wire pulls. If no pulls are selected, Silver Wire pulls will be used.
