UltiGuard® SafePack

Sharps Container & Mail-Back Disposal Kit

The UltiGuard Safe Pack Sharps Container & Mail-Back Disposal Kit is the only complete & compliant 3-in-1 solution that meets sharps disposal regulations in all 50 states. The kit includes 100 pen needles or insulin syringes, an FDA-cleared sharps container, and a prepaid return shipping box for shipment to a medical waste treatment facility for proper destruction. The UltiGuard Safe Pack Sharps Container & Mail-Back Disposal Kit requires no change in pharmacy workflow, and in most cases, patient copays will be the same as pen needles or syringes alone.
