- Stainless steel doors with towel bar handles bring a professional look to the kitchen

**Product Features:**

|                                   |                                                                                                                                   |
|-----------------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Made in the USA                   | Designed and constructed domestically                                                                                             |
| Slim 20 inch width                | Apartment-sized width offers all the functionality you need in a smaller footprint                                                |
| 24 inch depth                     | Shallower fit is ideal for L-shaped and galley kitchens                                                                           |
| Four sealed 9100 BTU burners      | Easy cleanup on boil-overs and accidental spills                                                                                  |
| Stainless steel finish            | Doors and backguard are constructed from brushed stainless steel for modern luxury built to last                                  |
| Professional towel bar handles    | Curved handles in brushed stainless steel offer an easier grip in attractive style                                                |
| Designed for natural gas          | Set for use with natural gas connection. To convert for propane use, add Kit LP S2                                                |
| Electronic ignition               | Spark ignition system with a pre-installed 115V 3-prong cord                                                                      |
| Oven window and interior lighting | Door includes a window and exterior on/off rocker light switch, making it easier to monitor your cooking without opening the door |
