

# SCRR261G

81.75" x 29.88" x 29.63" (H x W x D)

21.34 cu.ft. commercial beverage center with self-closing glass door, front lock, and white cabinet

**Highlights:**

Made in North America in a TAA designated country

Commercially approved for use in foodservice environments

Self-closing door ensures stored items are not accidentally overexposed to warm temperatures

**Product Features:**

Commercial beverage center made in North America    All-refrigerator designed for use in commercial establishments

|                        |                                                                                                                       |
|------------------------|-----------------------------------------------------------------------------------------------------------------------|
| TAA compliant          | Ideal for GSA contracts and other applications requiring a unit to have been manufactured in a TAA designated country |
| Commercially listed    | UL-S listed to NSF-7 commercial standards                                                                             |
| Glass door             | Tempered glass door provides a full display of stored items                                                           |
| Self-closing door      | Door automatically closes if left ajar to help protect items in high traffic settings                                 |
| Factory-installed lock | Keyed lock for a secure interior (2 keys included)                                                                    |
| Casters included       | Pre-installed wheels allow you to easily move the unit as needed and lock into place with the front brakes            |
| Pocket handle          | Handle recessed in the side of the door for more efficiency in crowded commercial settings where every inch counts    |
| Fan-cooled interior    | Powerful fan-forced cooling to ensure fast temperature recovery                                                       |
