

Safe, gentle incision devices for your most precious of patients

At Cardinal Health, we have the quality, reliable products you need for every situation — and every patient (no matter how small)

Cardinal Health gentleheel® devices offer a safe and efficient way for acquiring blood samples from the heels of newborns and preemies. Sterile and latex-free, gentleheel® devices are engineered with features that help ensure ease of use and minimal discomfort.

- **Tri-level blade** generates a smoother, sharper, less traumatic incision.
- **Unique cutting action** provides a more consistent incision.
- **Ergonomic design** for improved handling.
- **Color coded** for easier selection.
- **Hardened stainless steel blade** improves the accuracy of the incision depth.
- **Permanent blade retraction** minimizes possible injury or reuse.
- **Multiple visual indicators** reinforce the incision site.
- **Welded plastic case** prevents accidental exposure to the blade.

Cat. No.	Description	Incision (depth/width)	Color	Quantity
GHN10X50	Newborn	1.00 mm / 2.50 mm	Green	50 ea/box 10 box/case
