- Washable bag, lightweight at only 1 pound and compact size at 8.5 x 5 x 2
- Separate internal compartments that store your mask, gloves and extra storage room to house your cell phone or other small essential items
- Wipes dispense from a waterproof front pocket and holds any standard-sized wet wipes - 75% Alcohol Wipes (10 Count)
- Externally accessible is your no touch key attached to a retractable cord allowing for use without having to remove your HurryShield. The no touch door key provides an easy alternative to using your hands for simple tasks such as opening doors, pushing buttons, flushing toilets, and touching other dirty surfaces
- Hand sanitizer housed in neoprene sleeve allows bottle to be refilled or replaced with most travel sizes and easily attaches to the exterior rings - Travel hand sanitizer gel (59ml)
- Adjustable elastic straps with non-slip grips allows you to attach the bag to a multitude of items in your daily life. Attach to your luggage, bike, cane, walker, wheelchair, rollator and much more
- Double-ended zipper allows bag to be opened and accessed from any angle
- Clear Plastic Disposable Gloves (2 pairs)
