

EarthLite®
WORLD'S #1 BRAND IN MASSAGE™

EARTHLITE® UV HOT TOWEL CABINET

HEALING HUMANITY THROUGH TOUCH™

EARTHLITE® UV HOT TOWEL CABINET

These towel warmers are constructed with an improved door seal and stronger magnets to ensure consistent heat ranges, enhanced durability, and easy operation - brought to you by Earthlite, the industry leader in massage and spa equipment.

These dependable UL listed units heat and sanitize up to 128 facial towels; a sleek design features a stainless-steel interior, dual compartments, and a discrete drip pan. The Hot Towel Cabinets offer a compact footprint that heats and sanitizes your cloth or disposable towels for continuous use throughout the day. Our signature silver door is surrounded with your choice of white or black exterior and three convenient sizes.
